Dear Silver Birch parents/carers,

During Term 2, Silver Birch Class have the opportunity to enjoy Bushcraft sessions on a Friday afternoon.

Mrs Booty, who is a member of our school staff, leads these sessions and is currently training as a Forest School leader so the children will be able to experience camp fires and whittling again before the end of this term. Up until then, they will partake in the usual Forest School and natural crafting activities that the children were used to with Two Muddy Boots (our previous providers).

The Year 5/6 Children will have these sessions for 5 weeks starting from Friday 7th November until Friday 12th December (no Bushcraft on Friday 5th December).

Your child will need suitable clothing to be able to join the sessions, which is all listed in the handbook on the school website but is essentially a long sleeved top and long-legged trousers with a change of footwear and a waterproof outer layer. The children should come to school in their uniform and will then change in school.

If you would like to come along and help at any of these sessions or have any queries, please let a member of staff know.

Kind regards,
Emma Lofthouse
Headteacher
