

## Beech class adult questionnaire

Beech class are finding out about toys from the past – How have toys changed?

Our project this half term is toys and our big question is ‘How do you think it was made?’ Here are some questions for you to ask your parents or grandparents to help us to learn about what toys were like when they were younger.

1. When were you a child?

90s, 80s, 70s, 60s, 50s 40s, 30s

2. What was your favourite toy?

3. Why was it special?

4. What was your favourite toy?

5. Why was it special? What other toys can you remember playing with?

6. Did your toys use batteries or electricity?

7. What materials were your toys made from?

Thank you for helping with this questionnaire.
