ENGLAND PRIMARY  
SCHOOL  
BEHAVIOUR POLICY**

Updated by the School  
Council Summer 2026

**WHAT IS BEHAVIOUR?  
BEHAVIOUR IS CONSIDERING  
OTHERS AND FOLLOWING ALL  
OUR SCHOOL RULES AND  
VALUES SUCH AS RESPECT,  
RESILIENCE, LOVE AND  
HONESTY.  
ATTITUDE AND PAYING  
ATTENTION IN CLASS IS ALSO  
BEHAVIOUR.**

# OUR SCHOOL RULES

Our school rules include the three easy steps that are very simple to follow:

Be safe

Be respectful

Be ready

We always try to use positive language as well as mutual respect for each other.

# REWARDS

Rewards are given for positive behaviour and following the school rules. The rewards might be: free time, counters and marbles (in our class jars) and oak leaves in assembly. You might get one of these rewards for being kind and following rule that are currently in place. We also have value certificates, golden leaves and art leaves which are handed out by our classmates and teachers.

## **WHAT IS UNACCEPTABLE BEHAVIOUR?**

Being rude to teachers and our classmates, fighting even if it is games and not thinking about others' feelings is also considered unacceptable behaviour and you will get a consequence if you do one of these things.

# CONSEQUENCES

Some of our consequences here at Bolney are losing time, having to go to Ms Lofthouse, getting in trouble and sitting out of activities and sometimes missing break.

# P.A.C.E

At Bolney we use PACE to help us with learning and behaviour. P.A.C.E stands for:

1. P = playfulness
2. A = acceptance
3. C = curiosity
4. E = empathy

All the letters of P.A.C.E are four ways to help our friends, classmates and staff members when they might be upset\angry or annoyed.
