

Educational Psychology Service

Community Callback

The West Sussex County Council Educational Psychology Service Community Callback is open to all parents and carers who live in West Sussex and practitioners who work in West Sussex.

Telephone Consultations can be requested where there is a question or concern about learning or behaviour as well as worries about well-being and emotions. Calls are available on: **Tuesdays, Wednesdays and Thursdays** during the school and setting closure period with some evening slots available.

Please follow [this link](#) to make a request for a 30 minute call-back slot from one of our Educational Psychologists.
